

WSPFG Photography Service Announcement:

RenoTahoeSports.com (RTS) is proud to be the 2010 Games official photographer.

We are Reno Tahoe's sports photography authority since 2004 and honored to be shooting and capturing the Games athletes and images for you and your teammates.

Kent McCracken, RTS owner and photographer, shot this event in 2005 as a freelance photographer and is ecstatic to be a part of the games again as the official photography agency for 2010. Thank you for having me back.

RenoTahoeSports.com will be shooting the majority of WSPFG events with picture display & purchase options at the Silver Legacy players lounge daily from 9 AM to 6 PM, Saturday July 24th through Saturday July 31st. We will also be uploading pictures 'daily' to our web site for viewing and purchase at your convenience and leisure during the games, and for a full six months afterwards.

Our promise to you:

- Provide professional image products and prices highly competitive from past Games.
- Capture great moments in sports competition, with a highly professional team of sports photographers, like you've never experienced before at the Games.
- Provide discounts and special purchase options during of the games.
- Offer CD image purchases for the first time at this event.
- Support the WSPFG through donating 10% of sales back to the Games.

We thank you in advance for your patronage and in supporting our efforts to bring you top quality professional sports imaging coverage of this event. We invite you to stop by our booth and view your pictures and mates in action.

Sincerely, the management and staff of www.RenoTahoeSports.com
